STORM WATER FUND

RESOLUTION 2024-5 Authorizing the transfer of funds from FitCore to Westside Park Improvement Fund. Decision to close out FitCore Fund at end of FY24 and transfer remaining balance into Westside Park fund to be used for fund raising through can donations to park improvements. The fund remains in the Equity account and opening balances go forward to the next year. The council would like to see the current park committees combined into an all-park committee and that no additional park projects begin until the Peppermint Park Equipment project is complete and closed out. Motion to approve resolution 2024-5 was made by M. Gerardy, seconded by A. Reuter. Motion carried.

DOWNTOWN INCENTIVE-KEN ANDERSON: An application for the façade grant program was submitted for the Anderson Pharmacy building to replace the store front windows. The application was reviewed by the Incentive committee and reported that the project falls withing the program guidelines. The requested amount of \$5000 is the maximum grant award for the program and it meets the required match each grant dollar one to one. The committee recommendation was for full asking. Comments included it is good to see improvements made to the Downtown as what the program is intended. Motion was made by M. Petersen to approve Downtown Incentive Grant award for Ken Anderson for \$5000, seconded by D. Meyer. Motion carried.

EASTERN IOWA EXCAVATING CONTRACT PAYMENT NO. 1: Ganzer informed council that she confirmed that the storm water charges included in the 1st payment were eligible to pay out of Road Use as budgeted since it is part of the street reconstruction project and recommended full payment paid with Road Use funds. Comments included that response from neighbors were that the crew was pleasant to work with and the project is making good progress and people were adjusting. The council would like to address other paving needs while the paving crew was here if time allowed. A motion to approve contract payment no. 1 in the amount of 126,183.52 by D. Meyer, seconded by M. Petersen. Motion carried.

28E AGREEMENT WITH CITY OF MILES: Chief Gruver reported that the City of Miles approved re-establishing the contract with the Preston Police Department and elected to enter a 28E Agreement. The agreement was reviewed by both City Attorneys and agreed to the service fees presented. The 30-day waiting period to terminate Miles's contract with the Sherrif Department would result in Preston providing service beginning on September 8, 2024. Fees for the 1st year will be \$2540.00 monthly plus a 10% administration fee of \$3,048.00 payable at the end of the contract year. This is a 4-year contract with a 5% increase each year. The contract includes 40 hours per month coverage. A motion to approve the 28E Agreement was made by M. Petersen, seconded by D. Meyer. Motion carried.

JACKSON COUNTY SHERIFF'S K-9 PROGRAM: Ganzer explained that the city received a letter requesting a donation towards the County's K-9 program. She reviewed past contributions towards the program in 2018 and 2021. The council agreed that the K-9 program benefited the entire county. Ganzer recommended contributions to be made from each of the utility's contribution line items as had been done in the past. A motion was made by D. Meyer to donate \$500 to the County's K-9 program, seconded by M. Gerardy. Motion carried.

FIRE HYDRANT REPAIRS: Water Superintendent, Tim Morehead reported to staff that during hydrant flow testing, it was found that the seating was stuck, and the lower system was rusted out on the fire hydrant on Stephens and Farley Street and has been taken out of service, as it needs to be repaired or replaced. DSG provided costs to repair for 2294.00 and the cost for new is 3825.00. DSG agreed to come and assist in repairs at no charge. Comment was as long as the repairs are just as good, and he was confident that it would be ok to go ahead with repair. M. Petersen made a motion to approve the repairs unless it ends up being not feasible upon Tim's recommendation. Motion was seconded by JT Thomson. Motion carried.

CATALYST BUILDING GRANT DEVELOPMENT AGREEMENT: Ganzer explained that the agreement was part of the Grant process and to inform the council of the program obligations and scope of work. The City's financial commitment is the \$20,000 award through the Downtown Incentive Grant that was approved previously contingent on the Catalyst grant award. A motion was made by D. Meyer to approve the Catalyst Development Agreement, seconded by A. Reuter. Motion carried.

OTHER BUSINESS:

AMOS STREET - previously discussed.

ORDINANCE ENFORCEMENT UPDATE: Chief Gruver commented that he has complaints about houses in town that are abandoned and in disrepair and would like to get the City Attorney involved and send letters to the property owners. Thomson commented that he spoke to the building code enforcement officer in Maquoketa who outlined the procedures needed to adopt the State property maintenance code plus additional procedures that would need to be implemented. The council would like to start by sending letters and to document its attempts to address the properties, send copy of the letter to City attorney for review.

LIBRARY A/C REPAIRS: One of the compressors on the A/C unit located on the roof needs to be replaced. Total Comfort provided an estimate of 6726.60. Due to the age of the heating and air conditioning unit and the likelihood of it needing to also be replaced as a whole unit, he also provided a quote on full replacement of 20,7775.00. Just replacing one compressor at this time would be a temporary fix. Ganzer noted that funding could be secured through the library's building trust account and funds set aside at the Community Foundation. The library board will be addressing the options. The council is in support of the full unit replacement.

ADJOURNMENT: With no other business to be discussed, Sieverding asked for a motion to adjourn. The motion to adjourn was made by M. Petersen, seconded by A. Reuter. Motion carried. The meeting was adjourned at 7:06pm.

Tyler Sieverding, Mayor
