

The community is invited to share their opinions on the future of Preston by participating in a new survey, available at <https://ecia.org/prestonplan/index.php/survey/>. The deadline to respond is **5:00 p.m. on Monday, July 25, 2022.**

The survey is being conducted as part of the City of Preston's broader effort to update its Comprehensive Plan. The comprehensive plan is an important decision-making guide for city leaders. The plan presents a vision for the future, with recommendations for all activities that affect the growth and development of the community.

Collecting input from the members of the community is an important step in developing the plan. The Preston Comprehensive Plan Steering Committee is collecting community input using a variety of methods including surveys and meetings. Your input will help shape the plan and the future of the community.

The public can learn more about the plan at <https://ecia.org/prestonplan/>.

East Central Intergovernmental Association is assisting the City of Preston with its Comprehensive Plan update. For more information on survey or the Comprehensive Plan, please contact Dan Fox at 563-556-4166 or dfox@ecia.org.
